### ABOUT US

#### DAYLIGHT CONSULTING GROUP

Solutions in strategy development, project management, marketing and legal support for international clients in Russia, China, South-Eastern Asia and other regions.

### KNOWLEDGE

We know Russian business approach on the one hand and international business approach on the other.

We significantly simplify the processing of business operations for our international clients who intend to conduct global business and need assistance in project management and operational consulting.

### RUSSIAN PARTNERS

We closely cooperate with Russian producers of goods and services as well as suppliers of natural resources.

We provide support in the field of practical export solutions and access to the network of foreign buyers and end users of Russian-made products.

### FOREIGN PARTNERS

We also work closely with international companies which offer innovative solutions in various fields of industry, finance and technology.

We attract them to Russia in order to accelerate the process of technological expansion and gain access to new investment opportunities for our customers.

Our goal is to effectively manage every project we are involved in, bearing fully responsible for all solutions, strategies and recommendations.
